## Researches

**A Comprehensive Study on Bengali Music Genre Classification Utilizing Ensemble Approach** ↗  
**Authors:** Mohammad Tanveer Shams, Syeda Farhana Ali, et al.

## Projects

### **The\_Food** ↗

**HTML, CSS, Bootstrap 4, XAMPP Server**

Our project "The Food" is an online E-commercial website based on an online food ordering system across many restaurants.

### **Run For Your Life** ↗

**C++, iGraphics Framework**

Run for your life is a Game like Pacman. But here you can chase the ghost.

### **TICKETZY** ↗

**Movie Ticket Management System**

Developed in SQL & Java | A movie ticket management system enables ticket sellers to manage customer records, track available movies, and allocate seats by date and theater number

### **Photopia** ↗

**SvelteKit, Prisma ORM, HTML5, Tailwind CSS**

It's basically a Instagram clone, where people can post their picture with filters and along with some text for the post if they want.

### **Responsive Design Tester** ↗

**Svelte.js, SvelteKit, HTML5, Tailwind CSS**

We can test a website's responsiveness by applying various resolutions.

### **Quick\_Notes** ↗

**Svelte.js, IndexedDB, Prisma ORM, Tailwind CSS**

It's an app to create notes for day-to-day life with an eye-catching UI.

## PERSONAL QUALITIES

Teamwork, Time Management, Problem Solving, Work Ethic, Critical Thinking, Creativity, Adaptability, Logical Reasoning, Communication

## Professional Experience

01/06/2024 – 12/07/2024  
Mumbai, India

**Hannan Satopay** ↗  
**Intern Full-Stack Developer**

Company name is Meta Craftlab. Developed web applications using Svelte.js and Svelte Kit, optimized speed and efficiency. Leveraged Postman for thorough API testing and integration for seamless data interchange. Ensured data accuracy and consistency in database management tasks with SQL Lite using Prisma.

01/08/2024 – present  
Dhaka, Bangladesh

**Dr. Enamul Haque**  
**IT Support Executive**

Company name Mercy General Hospital D.Lab & Consultation Centre. Worked as an IT Support Executive on the hospital's 3rd party software application and hardware support. Communicated with patients and others for proper management of the software support.
